Dear Sir:

This is a communication to inform the U.S. Patent and Trademark Office that the status of the assignee of the above-identified Application, Transneuronix, Inc., as a small entity was established in good faith. However, it has now been discovered that such status as a small entity was established in error as a result of the Assignee having entered into a licensing agreement concerning the technology included in this Application with a third party on April 1, 1998.
